ORDER:

In this writ petition the petitioner questioned the action of the respondents in not considering his case for promotion as post-graduate teacher in Mathematics in the school run by the first respondent.

2. The grievance of the petitioner is that his case for promotion as post-graduate teacher was denied consideration on the ground that he passed post-graduate examination (B.Ed.,) in III division. In W.P.M.P.No.31779 of 1995 in this writ petition this Court granted an interim direction to consider the petitioner's case for promotion as

post-graduate teacher in Mathematics without insisting on the qualification of I or II class in B.Ed., or post-graduation. It is submitted by the learned counsel for the petitioner and not disputed by the learned Standing Counsel for the respondents that in pursuance of the interim direction of this Court, the petitioner was promoted as post-graduate teacher and later as junior lecturer. It is also submitted by the learned counsel of both the parties, subsequent to the filing of this writ petition, the respondents have taken a policy decision to give promotions to the existing teaching staff without insisting on passing of post-graduation or B.Ed., in I or II divisions.

3. Recording these statements of the learned counsel, the writ petition is closed as no further orders are required to be passed. No costs.
